Dear [redacted]

With reference to your letter of 20 January 1953 I think that the withdrawal of the BBC Liaison Officer from your bureau should not result in decreased service to those local activities devoted to our common free world purpose. On the other hand it is absolutely essential that Mr. Marriott be the final authority, as far as we are concerned, on our direct dissemination to any British activity.

It may be that Mr. Marriott can give a blanket clearance for material for Sharq al Adna and for CBS. If not each item may have to be cleared with BBC. Whatever the arrangement I think that the office to be served should make its request to the BBC Monitoring Service.

I am sending a copy of your letter and this reply to Mr. Marriott for whatever action he deems appropriate.

Sincerely,

25X1
